

## Guideline for PGCOrEd Modules for Residents

Source: Department of Family and Community Medicine

### PGCOrEd

The University of Toronto Post MD Education, Postgraduate Medical Education PGCOrEd is a series of self-directed multimedia web-based learning modules which cover the foundational competencies for University of Toronto postgraduate trainees. Residents are responsible to complete the mandatory PGCOrEd modules prior to the end of their PGY2 year.

Family Medicine Residents are responsible to complete their PGCOrEd modules by each of the DFCM deadline dates below:

DFCM Deadline Dates	Modules (PGY1)
August 31 <sup>st</sup>	Resident as Teacher (Mandatory Per PGME)
October 31 <sup>st</sup>	Professionalism
December 31 <sup>st</sup>	Communicating with and for Patients
February 29 <sup>th</sup>	Patient Safety
April 30 <sup>th</sup>	Collaborator
June 30 <sup>th</sup>	End of Life Care
August 31 <sup>st</sup>	Resident as Leader
October 31 <sup>st</sup>	Health Advocacy and Systems

### Requirements

Completion of these modules according to the DFCM deadlines is a mandatory requirement of the program. Failure to complete the module by the deadline will result in a Field Note noting a professionalism lapse, as per the approved DFCM policy. Repeated failures by a resident to complete the modules on time can result in a "2" in professionalism on a Family Medicine ITER.

### Accessing PGCOrEd

You can access the modules with your UTORid and Password here: [PGCOrED Modules](#)

### Contacts:

If you have any PGCOrEd related questions, please contact [pgcoredinfo@utoronto.ca](mailto:pgcoredinfo@utoronto.ca) or any questions on the DFCM deadlines, please contact us at [familymed.postgrad@utoronto.ca](mailto:familymed.postgrad@utoronto.ca)
